

How can you help support the local community?

In 2009 the owners of Surfcamp Lombok founded **Pelita Foundation**, with the aim of helping the local community advance through education. Most of the Foundation's programs are run from the Surfcamp, so you will meet the kids and volunteers when you get here!

You can read all about the Foundation's programs at www.pelitafoundationlombok.org, (and please 'like' the Facebook page too!)

Guests often ask us how they can contribute to our programs and to the community, so we have provided a list of things here.

Helpful things you can bring with you:

- An **English picture book**, with just one or two sentences per page.
- A **piece of clothing** to sell in our fundraising store. Second-hand **tshirts, shorts** and other colourful, hot-weather clothing are best.
- **Cash** to purchase a **tshirt** or other merchandise, or to make a **donation**.
- You can leave any unused **medical supplies** with us. Locals often come to us if they require medical attention. Wound dressings and children's paracetamol are particularly useful.
- If you have any **digital devices** you no longer need – used **iPad's** and **notebooks/laptops** with chargers are very, very valuable for our Digital Literacy classes.

If you'd like to be more involved:

- Support us by **collecting donations** from friends and family before you arrive. Pelita Foundation depends solely on donations to run its programs, so all contributions are very much appreciated.
- **Volunteer from home** by holding a **fundraising event!** A little bit of your time and enthusiasm can go a very long way in helping our local community. Email us for more information!
- If you have a particular interest or talent (eg. music, sport, yoga, drama, etc), you can **hold a class or workshop** for the kids while you're here. We can help you plan the activity and provide a translator :)
- If you're interested in working as a **volunteer** for an extended time, check the **long-term volunteer** positions we currently have available: <http://www.pelitafoundationlombok.org/volunteer/>

For more information about how you can help support the community of Gerupuk, please email info@pelitafoundationlombok.org

Thankyou!!
